

PSSA

Park Street School association

Hi, the PSSA is the parent teacher association for the school.

All parents with children at the school are automatically members and we greatly appreciate everyones ideas, input, skills, wisdom and help. All parents are welcome to the PSSA meetings where we come up with ideas and plans on how to raise extra money for the school.

The PSSA's main aim is to enhance and further the education of children at the school. To do this we support the school by organising fund-raising events and activities to boost the budget and buy the wonderful extras that the children need.

Some popular ideas that we run are: Christmas fayre, Summer fair, Ice lolly sale, Cake sales, Quiz night, School disco etc .

We aim to fundraise in a joyful way bringing parents together and benefiting the children..... so please get involved, we are a friendly bunch xx
