

The PSSA is the parents and teacher association for the school.

All parents with children at the school are automatically members. We greatly appreciate everyone's ideas, skills and help. All parents are very welcome at the PSSA meetings, that take place three or four times during the school year to plan fundraising activities.

We run a Christmas fayre, film nights, discos, cake sales, lolly sales and more.

The PSSA's main aim is to enhance the learning environment for the children. Recent work has been to the outdoor learning environment.

We aim to fundraise in a joyful way, bringing the school together for the benefit of the children. Please do come and get involved.

### **How does the PSSA work?**

The PSSA has a committee. This year's committee are:

Chair: Catherine Mitchell

Co-Chair: Pippa Huggett

Secretary: Belinda Walsh

Treasurer: Tom Neill

The committee work closely with the Headteacher, Teachers, other school staff, parents, the Governors and the local community to pull ideas together and turn them into a reality.

Our Governor link is Ruth Ward. Our Teacher link is Sarah Harbert.

Each school year has a 'class rep'. The Class reps role is to liaise with their year groups parents and to bring their ideas to the PSSA. Reps are essential to relay ideas, plans and information from the PSSA to the parents and vice versa.
