

Homework - Due Tuesday 18th September 2018

English:

For English homework, I would like pupils to think of a book they have read and describe the story setting.

Pupils can create a word bank to assist them with their story setting.

They then must write some sentences to describe the story setting.

It is important to use some of the words they created in the word bank.

Maths:

For Maths homework, I would like to pupils to complete a place value task.

Pupils have been working very hard in Maths this week and have impressed Miss Craig very much. I think we have a few maths geniuses in Year 4.

This week, I have sent the Maths task home with Year 4. From next week onwards, I will be uploading the Maths on Home Learning. I would really appreciate it if you could cut and stick the task into the homework book.

Homework is there to:

- Reinforce and consolidate classroom learning.
- Help children to develop independent learning skills
- Provide opportunities for parents and children to enjoy the learning experience together.
- Inspire children to want to extend their own learning.

Homework should not:

- Cause unnecessary stress or anxiety for the child or parent.
- Please feel free to contact me if there are any issues.

Miss Craig
