

Y5 Home Learning

Week beginning: 1st October 2018

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

A copy of this page is on the Website.

Spellings

Your child will have already received their spelling sheet. I have posted a copy in our home learning page.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary. The spelling test will take place on the following Friday. Their new words will be set then.

Our key spelling focus for this week will be the suffix "ance and ant"

Research Homework

To create an imaginative A4 research page on Stonehenge. The children are to consider some of the theories as to how it was built. Be as creative as possible with their presentation.

To be handed in on Friday 5th October.

English / SPAG

Our key book for our topic will be Stig of the Dump.

- Descriptive writing
- Continued work on basic punctuation.
- A key area of learning for this week will be how and when to use paragraphs.
- The other key focus will be balanced arguments.

Mathematics

This week our work continues with addition and subtraction.

Apologies for the change of homework last week. This week, they will definitely be focusing on revision of their rounding skills.

Please feel free to use the mathematics program at home to support their learning. All the children have their codes in their diaries.

Reading

Please encourage your child to read every day. This could be by themselves or with an adult. Please record all reading in the diary.
