

Year 4 Home Learning

Week beginning: 21st September 2018

Every Friday, your child will be allocated time to write their homework in their diary.

Please feel free to let me or Mrs Payne know if you feel the homework is causing stress or exceeding the one hour guideline.

Spellings:

Every Monday, your child will receive their spelling sheet. I have set three challenges for the spellings. It is up to your child to choose their challenge of how many spelling they would like to learn. Your child should be encouraged to complete as many spellings as possible. Children should complete a minimum of 8 sentences in their spelling homework book using their own words. The spelling test will take place on the Friday morning. Children will then be provided with a new set of spellings on the Monday. Children will be tested on the prefix -im on the 28th September 2018.

Mathematics:

This week in Maths, Year 4 have be learning about place values, ordering and rounding up to 4-digits. Year 4 have worked very hard in maths and have really showed off their Maths skills. The homework this week will be on what your child has learnt throughout the week.

**Times Tables: Please practise Times Tables as much as you can. I cannot emphasise the importance of them.*

Reading:

It is also important to read with your child daily so that they maintain and improve their reading standard. We would like to have around 15 minutes every night, but we appreciate this is not always possible. Please record any reading done in their reading books.

English:

In Year 4, we are currently reading 'The Wind in the Willows' and all children seem to be really enjoying it. Children have come up with amazing ideas for their writing and have produced amazing pieces of work. Also this week, we have been focusing on when we should use the following; capital letters, full stops. Please continue to emphasise the importance of punctuation.

Miss Craig and Mrs Payne are very impressed with all the hard work Year 4 have put in this week. Keep it up! You are all doing so well.
