International Day

By Mrs A Neill

Last Thursday we celebrated International Day. The children discussed peace and tolerance, and designed flags to promote harmony. They looked at different languages and the different scripts used for writing and took part in a calligraphy workshop writing the school values in Greek, Russian, Arabic and other languages. Lots of parents volunteered to come in and speak to the children about different countries and traditions which the children thoroughly enjoyed. We also had lots of lovely food brought in for our food festival after school where we got to sample Welsh cakes, Polish cheesecake, croissants, cheese and more from many different countries. I'd like to thank the staff for all their hard work on the day and all the parents who helped out to make it a very special day for the children.

Parent Consultation Evenings

Many of our parents have now booked their Parent Consultation evenings. The online booking will be closed on Sunday 21st October and you will need to ask the office to arrange an appointment for you after this date if you haven't already booked.

Individual School Photos

The school photographer will be here on Friday 26th October. If you would like your child/children photographed with any pre-school siblings, please arrive at 8.30am so that these can be taken before the start of school. Children with siblings in school will have their photograph taken individually and also with their brothers and sisters.

Text Messaging

Please be advised that, although we send out messages by text message, our inbox is not suitable for replies. If you need to contact the school at any time, please either telephone and leave a message, or email the school on admin@parkstreet.herts.sch.uk

Chicks in Year 6!

Year 6 were delighted with the arrival of two lovely feathery friends. The children named them Sleepy and Lannen. A big thank you to Mr La Riviere for arranging this fantastic learning experience for our children.
