

# THIS WEEK WE WILL BE:

## Communication and Language:

- We will be trying to listen to instructions when making bread rolls.
- Listening to the story of 'The Little Red Hen'.

## Physical Development:

- On Monday we will be changing into our PE kits for the first time. We will probably not have much time left for the lesson but we will play two games called 'traffic lights' and 'rabbits'.
- Wednesday is National Fitness Day and we will be going into the hall to do a 10 minute activity session with the Reception class. All children should come to school in sports clothes that day (not necessarily school PE kit).

## Personal, Social and Emotional Development:

- On Monday, Wednesday and Thursday we will be practising for our Harvest Service. We will be taking part by performing actions to a harvest story read by Y6.
- On Tuesday morning we will be going into the hall with the Reception class to a Road safety workshop. All parents are invited to stay for this. It will run from 9.00-10.00am.

## Literacy Development:

- This week we will be starting our phonics programme which is called Letters and Sounds. The first area we will be working on is called environmental sounds. This week we will be going into the garden to identify sounds we can hear; listening to sounds we hear in different places around the school; making different sounds on objects in the garden and using our voices to sing at different volumes.

## Mathematical Development:

- We will be assessing the children's progress in counting aloud, reading numbers and counting objects.

## Expressive Arts and Design:

- Start to make props for our role play area which will be the windmill from the story 'The Little Red Hen'.

On Friday we will be going to Holy Trinity Church for our Harvest Service at approximately 9.30am. All parents are welcome to join us.
