

# Y5 Home Learning

Week beginning: 22nd October 2018

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

A copy of this page is on the Website.

## Spellings

Your child will have already received their spelling sheet. I have posted a copy in our home learning page.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary. The spelling test will take place on the following Friday. Their new words will be set then.

Our key spelling focus for this week will be the suffix "ible"

## English / SPAG

This week, we will be focusing on imaginative writing, linking our ideas to Pie Corbett.

## Mathematics

This week our work moves onto Unit 3 of the Maths Mastery programme.

**We will continue to focus on** Line graphs and timetables

Please feel free to use the Mathematics program at home to support their learning. All the children have their codes in their diaries.

## Homework

**As this is the last week before half term and there are parents consultations this week, I will only be setting spelling homework.**

## Reading

Please encourage your child to read every day. This could be by themselves or with an adult. Please record all reading in the diary.
