

# Year 4 Home Learning

## Week ending: 19<sup>th</sup> October 2018

Every Friday, your child will be allocated time to write their homework in their diary. Please feel free to let myself or Mrs. Payne know if you feel the homework is causing stress or exceeding the one-hour guideline.

***\*Homework is due in every Tuesday (or Monday!)***

## Spellings:

Every Monday, your child will receive their spelling sheet. I have set three challenges for the spellings. It is up to your child to choose their challenge of how many spelling they would like to learn. Your child should be encouraged to complete as many spellings as possible. Children should complete a minimum of 8 sentences in their spelling homework book using their own words. The spelling test will take place on the Friday morning. Children will then be provided with a new set of spellings on the Monday. Children will be tested on words with the Ending /shun/ Spelt Using 'sion' on the 26<sup>th</sup> October 2018.

Keep up the fantastic results in Spelling Year 4!

***\*I strongly encourage the children to spend more time learning their spellings.***

## Mathematics:

This week in Maths, Year 4 have been exploring different strategies for subtraction and addition. They have used their Maths skills to add and subtract multiples of a 1000.

Next week, children will be learning all about bar modelling and how they can use this strategy to help them solve two-step word problems.

The homework, will be based on what your child has learnt throughout the week.

***\*Times Tables: Please practice Times Tables as much as you can. I cannot emphasize the importance of them.***

If your child is confident they know their Times Tables, they can approach myself or Mrs. Payne.

**Reading:**

It is also important to read with your child daily so that they maintain and improve their reading standard. We would like to have around 15 minutes every night, but we appreciate this is not always possible. Please record any reading done in their reading books.

**English:**

This week, we have continued on with 'Persuasive Writing'. Year 4 will be continuing with this topic until Half-Term.

Wishing you all a lovely weekend.

Miss Craig and Mrs. Payne
