

Personal, social and emotional development

We will be...

Exploring why 'Remembrance Day' is special.

Finding out how it might have felt to be away from home and what it might have felt like for friends and family.

Taking part in a minutes silence.

Park Street C of E Primary School

An overview of our week in Reception

Autumn 2 Week 1

This week is

History Week

Literacy

We will be.....

Listening and responding to stories, poems and information books about 'Remembrance Day'.

Learning the rhyme 'Poppy, poppy'.

Writing prayers for our whole school 'Remembrance Day' prayer book.

Making a book of key pictures and words together.

Communication and language

We will be...

Talking about why we wear a poppy.

Talking about what life might have been like for children 100 years ago.

Using some new vocabulary such as remembrance, thankful and peace.

We will be exploring ...

What happens on Remembrance Day?

Mathematics

We will be.....

Singing counting songs and number rhymes.

Counting, reading and ordering numbers to 20 and beyond.

Matching quantities to numbers.

Saying 'one greater' and 'one less' than a given number.

Adding single digits.

Physical development

We will be...

Using pipettes and filter paper to make poppies for a whole class display.

Shaping red and green dough to create poppies.

Exploring the playground games children might have played 100 years ago.

Expressive arts and design

We will be.....

Creating thumb print poppies for our whole school mural.

Creating poppies to hang in our EYFS garden and class reflection area.

Making Christmas cards for soldiers and their families.

Understanding the world

We will be.....

Exploring what life was like 100 years ago through these questions...

- What did children do for fun?
- What did children eat and drink?
- What did children do to help with the war effort?

Walking to our local war memorial on Tuesday - please join us if you can.

Dressing up and taking part in our whole school 1918 day on Friday.
