

Y5 Home Learning

Week beginning: 12th November 2018

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

A copy of this page is on the Website.

Spellings

Your child will have already received their spelling sheet. I have posted a copy in our home learning page.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary. The spelling test will take place on the following Friday. Their new words will be set then.

Our key spelling focus for this week will be the suffix "ation"

Anti-Bullying week

This week is anti-bullying week and there will be a variety of activities connected with this subject.

English / SPAG

This week, we will be focusing on describing different landscapes and producing persuasive letters to become members of Earnest Shackleton's crew.

Mathematics

We will now be starting our new topic. Unit 4 will be exploring Multiplication and Division.

Please feel free to use the Mathematics program at home to support their learning. All the children have their codes in their diaries.

Our New Topic

We will now be starting our new topic. Our focus will now be on Landscapes. We will be researching the Antarctic and different biomes around the world. We will also explore animals in those locations.

Reading

Please encourage your child to read every day. This could be by themselves or with an adult. Please record all reading in the diary.
