

Y5 Home Learning

Week beginning: 19th November 2018

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

A copy of this page is on the Website.

Spellings

Your child will have already received their spelling sheet. I have posted a copy in our home learning page.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary. The spelling test will take place on the following Friday. Their new words will be set then.

Our key spelling focus for this week will be focusing on the word pattern "fer"

English / SPAG/Topic

This week, we will continue our work on landscapes. We will be focusing on glaciers and completing further work on Shackleton's trip to the Antarctic

Mathematics

We will now be continuing our work on multiplication and division, exploring factors, multiples, cube and square numbers.

This week, we will be competing in the Mathletics online challenge.

Please feel free to use the Mathletics program at home to support their learning. All the children have their codes in their diaries.

Reading

Please encourage your child to read every day. This could be by themselves or with an adult. Please record all reading in the diary.
