

Year 4 Home Learning

Week ending: 30th November 2018

Every Friday, your child will be allocated time to write their homework in their diary. Please feel free to let myself or Mrs. Payne know if you feel the homework is causing stress or exceeding the one-hour guideline.

**Homework is due in every Tuesday (or Monday!)*

Spellings:

Every Monday, your child will receive their spelling sheet. I have set three challenges for the spellings. It is up to your child to choose their challenge of how many spelling they would like to learn. Your child should be encouraged to complete as many spellings as possible. Children should complete a minimum of 8 sentences in their spelling homework book using their own words. The spelling test will take place on the Friday morning. Children will then be provided with a new set of spellings on the Monday. Children will be tested on words with 'ough' to make a long /o/, /oo/ or /or/ sound 7th December 2018.

Keep up the fantastic results in Spelling Year 4!

I strongly encourage the children to spend more time learning their spellings.

Mathematics:

This week in Maths, Year 4 looked at different division strategies. From next week onwards, Year 4 will be introduced to interpreting and representing continuous data, using time graphs to show different sets of continuous data. In addition to this, they revise and deepen their understanding of discrete data, which is presented in tallies, frequency

tables, pictograms and bar charts. This unit consists of eight planned lessons and two consolidation lessons, which should be used as an opportunity for pupils to collect and represent their own data.

****Times Tables: Please practice Times Tables as much as you can. I cannot emphasize the importance of them.***

Reading:

It is also important to read with your child daily so that they maintain and improve their reading standard. We would like to have around 15 minutes every night, but we appreciate this is not always possible. Please record any reading done in their reading books.

English:

Week beginning: 3rd December 2018

For the next 3 weeks, Year 4 will be introduced to play scripts. They are going to become authors of a play script and actors. Year will be looking at the following; stage direction for actors, the name before the characters speech and the colon after the character's name.

Messages:

Christmas Fayre will take place on the 30th November 2018 at 3.30pm until 5.30pm

Looking forward to seeing you all there.

Wishing you all a lovely weekend,

Miss Craig and Mrs. Payne
