

Year 4 Home Learning

Week ending: 9th November 2018

Every Friday, your child will be allocated time to write their homework in their diary. Please feel free to let myself or Mrs. Payne know if you feel the homework is causing stress or exceeding the one-hour guideline.

****Homework is due in every Tuesday (or Monday!)***

Spellings:

Every Monday, your child will receive their spelling sheet. I have set three challenges for the spellings. It is up to your child to choose their challenge of how many spelling they would like to learn. Your child should be encouraged to complete as many spellings as possible. Children should complete a minimum of 8 sentences in their spelling homework book using their own words. The spelling test will take place on the Friday morning. Children will then be provided with a new set of spellings on the Monday. Children will be tested on words with the Ending using 'ssion' on the 16th November 2018.

Keep up the fantastic results in Spelling Year 4!

****I strongly encourage the children to spend more time learning their spellings.***

Mathematics:

This week in Maths, Year 4 made a start on different multiplication and division strategies. Year 4 solved multiplication and division equations by using the following strategies; bar model, place value counters and number lines.

From next week onwards (16th November 2018), Year 4 will be tested every Friday on their times tables. Year 4 have been given times tables to learn. Children will not be tested on new times tables until they know the ones they have been allocated.

****Times Tables: Please practise Times Tables as much as you can. I cannot emphasize the importance of them.***

If your child is confident they know their Times Tables, they can approach myself or Mrs. Payne.

Reading:

It is also important to read with your child daily so that they maintain and improve their reading standard. We would like to have around 15 minutes every night, but we appreciate this is not always possible. Please record any reading done in their reading books.

English:

Week beginning: 12th November 2018

Year 4 will be looking at News Reports and will have the opportunity to create their own News Report.

Messages:

This year, Year 4 have been allocated the main parts for the Christmas Show. Children will be sent home a script on Tuesday 13th November 2018. **I cannot emphasize the importance of learning the lines.** Miss Craig and Mrs. Payne will be practising the show everyday with the children. From next week onwards, Mrs. Killan will be rehearsing the songs with Year 4.

Wishing you all a lovely weekend.

Miss Craig and Mrs. Payne
