

Year 6 Home Learning and Homework information- Friday 1st February

| | |
|---|--|
| Maths | English |
| Next week we will be continuing with long division and finding fractions as remainders as well as looking at area and perimeter. | Next week we will continue to get our inspiration from Greek stories, focusing on Icarus and Daedalus. |
| Homework | |
| Maths: Long division with decimal remainders. | English: Research home on the Parthenon. What is it? Why was it built? Who was it built for? Find facts out! Both home works are due in on Tuesday (or Monday!) |
|  I hope you have all received the letter about our upcoming trip to London with Year 5. Please pop the reply slips back to the office as soon as possible. Spellings due on Friday. | |
