

Y5 Home Learning

Week beginning: Monday 4th February 2019

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

A copy of this page is on the Website.

Spellings

Your child will have already received their spelling sheet. I have posted a copy in our home learning page.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary.

If you feel the sentences or presentation are not of a high standard, please do hesitate to ask your child to try again. The spelling test will take place on the following Friday. Their new words will be set then.

We will be continuing with the key spelling words for Y5 and Y6

Research Homework

TOPIC HOMEWORK

English / SPAG/Topic

We are now starting our new topic on the Ancient Greeks.

This week we will follow up the homework task on the Parthenon. We will focus on the frieze and what it represents.

This will include creating speech between characters and learning about the procession.

Our animation work on our Greek myth will begin on Monday. If the children wish to bring in anything that will support their work then I am happy for them to do so.

Mathematics

Our work on fractions and decimals will continue this week.

Please feel free to use the Mathletics program at home to support their learning. All the children have their codes in their diaries.

Also, the children could use the Topmarks Website to support their learning.

<https://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals>

Reading

Please encourage your child to read every day. This could be by themselves or with an adult.

Please record all reading in the diary.
