

Year 6 Home Learning and Homework information- Friday 8th February

Maths	English
Next week we will be focussing on finding angles on a straight line and within shapes.	This week we will getting our inspiration from Greek stories which links well into our new topic this term: Ancient Greeks. This week will be focussing on the Parthenon and writing newspaper reports.
Homework	
Maths: Long division with decimal remainders.	English: Research home on the Parthenon. What is it? Why was it built? Who was it built for? Find facts out! Both home works are due in on Tuesday (or Monday!)
 Wednesday is the school trip- please see the recent letter for extra details Spellings due on Friday.
