

# THIS WEEK WE WILL BE:

## Personal, Social and Emotional Development:

- Looking at pictures of children's faces showing various emotions. We will talk about what might have happened to make the child feel that way and what they could do to make themselves feel different.

## Communication and Language:

- Watching and listening to a traditional story on the IWB and talking about the characters, events and settings in the story.

## Physical Development:

- We will be using our 'Daily Mile' runs to think about the importance of exercise and how exercising makes our body feel. Following our run we will paint a self portrait and write down how the run made us feel.
- Trying to kick a large ball through a goal and then trying to catch it!

## Literacy Development:

- In phonics we will be working on Rhythm and Rhyme. We will be repeating rhyming activities to assess the children's ability to rhyme.
- In our reading groups we will be looking at books and trying to predict what happens at the end of the story or on the next page.

## Mathematics:

- Continuing to work on 1 more than but now using numbers to 10.

## Understanding of the World:

- On Thursday we will practice counting in French to 10 and singing Frere Jacques ready to show in Celebration assembly.
- Using an I Pad to take a self portrait showing an 'emotion' on their face!
- Having a visit from the firemen on Wednesday morning linked to our previous topic of People Who Help Us.
- On Thursday morning we will go into the Wellness wood, make an open fire and try to toast some bread to eat.

## Expressive Arts and Design:

- Painting a self portrait and then adding a caption about how exercising makes us feel.
