

Park Street P.E and Sport Premium 2018-19

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> We have just her that we have achieved the Sainsbury’s School Games Gold Award for 2018-19. This is the third year in a row that we have achieved this. We have progressed from a bronze award in 2013, to silver in 2014/15, 2015/16 and gold in 2016/17, 2017/18. Achieving this mark shows our commitment to PESSPA throughout the school. <p><u>KI1:Engagement of all in regular physical activity</u></p> <ul style="list-style-type: none"> 74% of children in Y3 –Y6 have attended a sports club this year. This is a decrease of 10% from 2017/18 but continues to be 17% higher than 2013 when the sports funding was first introduced. We have active lessons/brain breaks and the whole school (Nursery to Y6) continue to take part in the Daily Mile. This year we have introduced Wheelie Wednesday. The children are able to bring into school anything that has wheels eg. Bike, scooter, skateboard or roller skates, to use at playtime and lunchtime. This has proved to be very popular and we have trialled it this year once a month. All classes throughout the school have had regular sessions in the Wellness Woods. This has given the children confidence, developed team work and taught them new skills. <p><u>KI2: Profile of PESSPA raised across school as a tool for whole school improvement.</u></p> <ul style="list-style-type: none"> On the first Friday of every month parents are invited to join their child/children for their Daily Mile run. The number taking part varies but is increasing. Sport is an important part of school life and is celebrated in our weekly Celebration assembly and reported in the fortnightly newsletter. The whole school took part in National Fitness Day last September when every class took part in a fitness session in the hall. We held a very successful Sports Festival where all children (Nursery to Y6) took part in competitive activities and fun events throughout the 	<p>Original budget planned to spend approx 8,000 on completing the daily mile track however in October 2018 guidance was sent through to inform us that Sports Premium could not be spent on capital expenditure.</p> <p><u>KI1:</u></p> <ul style="list-style-type: none"> We will aim to provide activities that appeal to those pupils who are less active by developing OAA and full use of the Wellness Wood to develop teamwork, resilience and a sense of adventure. To secure comprehensive 30:30 activities throughout the school. To look at ways of funding the extension of our Daily Mile track. There has been an overall decrease in the percentage of children attending sports club by 10% this year. This has been mainly in the clubs provided by external providers. We need to consider how to increase the number of children taking part in OSHA. Numbers at clubs run by school staff with no cost to parents continue to be well supported. <p><u>KI2:</u> continue and maintain.</p>

day. All were parents invited to spend the day supporting their child.

KI3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.

- Both the head teacher and PE lead attended the Herts PE Conference and took part in a variety of workshops including Active 30:30, the new Ofsted framework and how it will impact PE, Physical activity in the playground and developing a community approach to the daily mile.
- The PE lead has also attended training with the SGO twice this year which included school games mark, active 60 and expectations of Sports Premium.
- The PE lead has met with our two cluster schools to discuss current issues.
- One of our Y2 teachers attended training on 'Fundamental movement' and our Y3 teacher went to an 'Ultimate Frisbee training session. The Y4 teacher attended a dance training workshop before she unfortunately left. All staff came back enthusiastic to teach the skills they had learnt on their courses and Y2 have taken part in a series of fundamental movement activities.
- Following the purchase of a new teaching resource last year, all staff have been fully trained and feedback is very positive. The PE lead will shortly be completing whole school assessments using the data that the new resource provides.

KI4: Broader experience of a range of sports and activities offered to all pupils.

- We strive to offer a broad range of sports and activities. We will have run 10 different sports clubs this year and always ensure there are suitable activities for all age groups including Reception and KS1.

KI5: Increased participation in competitive sport.

- We have worked hard to increase competitive participation for all children throughout KS2 this year. 68% of KS2 have taken part in an inter-school event this year.
- Not only have we had a good percentage of children taking part but we have also had considerable success in a variety of inter-school events throughout 2018/19:
- Cross country: Girls team district champions. Boys and girls combined

KI3:

- To continue to develop the use of the Wellness Woods by extending teacher's knowledge and confidence to provide 'what next' activities. Provide training for our two new members of staff.
- To train our MSA's helping to provide active lunchtimes for all children.
- Provide training for our new staff so they are able to offer high quality PE lessons, especially in areas where they may lack confidence.
- Train our new staff to use the Complete PE resource and assessment tool.

KI4:

- Continue to look for new activities that may be popular with the children.

KI5:

- This has been a focus throughout this academic year so continue and maintain.

<p>district champions.</p> <ul style="list-style-type: none"> • <u>Netball</u>: League winners and 3rd place in district tournament. • <u>Athletics</u>: Girls team district champions. • <u>Football</u>: 3rd in league, semi-finals of County Cup, and semi-finals of District Cup. • <u>Girl's football</u>: we have shared the winning trophy with Fleetville Primary School in the 6-a-side competition. 	
---	--

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.</p>	96%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	88%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	88%
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes

Academic Year: 2018/19	Total fund allocated: £17,690	Date Updated: 28.6.19		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of allocation spent 17%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Good quality equipment in sufficient quantities so all children are able to take part in all activities	Equipment purchased throughout the year includes: Balls, table tennis set, playground activity pack, netball posts, hockey sticks and balls, high jump posts, athletics high stepper, tennis nets, rounders bases and posts.	Actual spend £907.84	Activity levels at maximum for children throughout lesson. Children enjoy the new equipment and are keen to use it. High jump posts helped children practise at athletics club and we came 1 st and 4 th in girls competition at district sports	Ensure equipment is stored carefully. Check for broken equipment and replace as necessary.
For all pupils to achieve the NC requirement for swimming at the end of our swimming programme. Extra swimming offered to those pupils in Y4 who have not achieved the standard.	Top up swimming was offered to 8 children in Y4 who were not meeting the NC requirement	£324.50	7 children attended top up swimming for 1 term but unfortunately none of them achieved the required standard by the end of the term. 4 children remained in the small pool.	Consider repeating another term of top up sessions.
To provide opportunity for children to take part in gymnastics club	To part pay for PP child to attend gymnastics	£62.50		
To increase the number of children that are physically active during lunchtime.	To order a new play leaders shed to keep lunchtime equipment.	£1408.70 +£100 base	Children have good quality equipment to use at lunchtime under the supervision of the play leaders.	Check quality of equipment regularly.
To target children not attending sports club.	Change 4 Life club set up at lunchtimes. Children invited who have not attended club or are inactive in school.	£280 Total spend : £3,083.54	Targeted children are enjoying the lunchtime club and attend regularly.	Monitor to see if targeted children attend club in next academic year.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of allocation spent
				9%
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Training of four Y6 Sports Ambassadors to lead activities at lunchtime and provide more opportunities for children to be active.	Four Y6 pupils attended SGO ambassador training in October.	£200 cover for staff to accompany ambassadors.	Sports Ambassadors helping to organise play leaders at lunchtimes, having regular meetings with subject leader and supporting inter-house competitions.	Providing positive role models for being active at play and lunchtimes. Develop role of Sports crew to organize school games website.
Purchase new kit for teams	Source and purchase	£1150	Football, netball and athletics/cross country kit has now all been purchased. Teams representing school are well turned out and proud of representing Park Street.	Kit is checked out and back in to make sure it is all returned.
Trophies won by teams in district competitions engraved.	Arrange for engraving.	£50	Trophies presented in assembly and kept on school display cabinet in entrance. Rest of school see success and want to be involved.	
End of year awards for all those who have taken part league appearances this season	Purchase or medals and trophies	£175	Perseverance, fair play, sportsmanship, cooperation all rewarded and congratulated in Sports assembly at the end of the year.	Whole school involved in celebrating not only success but also taking part and commitment in playing for a team throughout the year.
		Total spend: £1575		

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of allocation spent
				7%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Children's safety in practical lessons is essential with risks reduced to a minimum	Purchase Safe Practice in PE Handbook	£40	PE lessons are accident free and teachers are confident with safety procedures.	Update handbook yearly.
To be able to offer the best swimming lessons available with more children achieving NC requirement.	PE lead to visited Marlborough School to visit swim school and talk to director.	£115	Lessons to remain at Westminster Lodge due to size of the pool at Marlborough School. Small pool with a small, deep shallow end that is not suitable for a whole KS1 class.	Visit Westminster Lodge regularly to monitor quality of lessons.
To improve knowledge and confidence in teaching PE. Children have high quality PE lessons which are enjoyable and improve levels of attainment.	Supply cover: Y2, Y3, Y4, PE lead cover x2 Hertfordshire Primary Schools PE conference attended by head and PE lead	£690 £150 + £115	Teachers are enthusiastic and are now teaching the activities they received training in.	Continue to send staff to top quality training provided by the SGO. Update staff at following staff meeting.
All staff have had access to current resources, assessment tools and updates throughout this academic year for Complete PE.	Payment to Complete PE by office	£126.00	High quality PE is being delivered throughout the school with robust assessment taking place.	Subject leadership time needed to monitor teaching and assessments.
		Total spend: £1236		

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of allocation spent
				18%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
OAA opportunities to encourage those that are less keen on competitive sports to take part in physical activity.	Sessions run by 'Twigs' for all year groups.	Autumn:£632.50 Spring: £1234.06 Summer: £1100.0	Children have loved these sessions. They are active, engaged, developing great team work and problem solving skills.	Continue with sessions by 'Twigs' but also plan in sessions for staff to take to develop own confidence and experience.
For all children to have the opportunity to take part in long jump	Order sand to fill long jump pit	£192	All classes experienced long jump into the pit. Athletics club practiced in the pit and our girls came 1 st and 4 th in District sports. Pit used for competition as part of our Sports Festival.	Look into cover for long jump pit to keep sand in good condition.
				Total spend: £3,158.56
Key indicator 5: Increased participation in competitive sport				Percentage of allocation spent
				14%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Ensure children get as many sporting opportunities as possible by joining St Albans and District School Games. (Free entry to a wide range of competitions and festivals for a range of age groups.)	Apply and send membership fee	£1300	SL file showing evidence of competitions entered and children taking part. Photos, orders of play and results.	Continue to increase the number of children taking part in competition. Reports given in Celebration and newsletters assembly to inspire other children.
For children to take part in the St Albans and District sporting events	Membership fee based on number of children on role.	£42.80	Evidence of activities in SL file.	As above
For the strongest cross country	Payment of entry fees	£14	Event cancelled due to heavy	

runners to take part in the County Championships			snow. No refund	
To give those Y4 children who do not regularly take part in school sport the opportunity to participate in the School Games finals carousel.
