

# Y5 Home Learning

Week beginning: 9<sup>th</sup> December 2019

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me or Mrs Danton.

## Spellings

### Focus is hyphenated words

Your child will have already received their spelling sheet.

The children are to choose their challenge of how many spellings they will learn. If you wish them to learn more, then this is absolutely fine.

The children should then complete a minimum of 8 sentences in their spelling homework book using their chosen words. The sentences should be complex using a range of vocabulary. The spelling test will take place on the following Friday. Their new words will be set then.

**The homework should be handed in Thursdays.**

## Reading

Please encourage your child to read every day. This could be by themselves or with an adult. Please record all reading in the diary.

## Topic/English

This week, we will be focusing on actual reports connected with earthquakes around the world.

In particular, we will be studying the earthquake that took place in Mexico.

The children will be continuing their work on our Active planet and completing their Art project linked to the Abbey line.

We will also have the chance to watch the Christmas dress rehearsals for the infants, KS1 and KS2.

## Mathematics

Pupils will be focusing on long multiplication and division

The homework this week will focus on a variety of mathematical concepts.

**The homework will be set on Tuesday to be handed in on Thursday.**
