

# Y5 Home Learning

Week beginning: 9th March 2020

Your child will be given time to write their homework in their diary. Also, they should be keeping a record of their reading. If you have any concerns about their learning or homework please do not hesitate to come and talk to me

Please can you ensure that your child comes to school with the correct equipment. They should have with them a pencil case (pens and pencils), reading book and their school diary.

## Spellings

This half term we are trying a different way of setting spellings. Each group will have a set of 10 words to learn. This will include a handwriting sheet and a look, write, cover, check sheet connected with the spellings. They will also have the dictation sentences, which will be read on Friday. There will be a set of 5 extra words as an extension task. The test will take place on Friday and your child will write their result in their diary.

**The homework should be handed in Friday.**

## Reading

Please encourage your child to read every day. This could be by themselves or with an adult. **Please record all reading in the diary. I will checking the diaries on Monday morning.**

## Topic/English

This week is Science week

Monday 9<sup>th</sup> March is our science day. All the classes will be rotating around completing different activities throughout the day.

On Thursday 12<sup>th</sup> March, we will also be going on a trip to the St Albans Museum to explore the work of St Francis Bacon and other scientists.

We will continue our work on the Mayans and start rehearsing our class production of Joseph and his Technicolour Dream coat.

Please can you support your child in learning their lines and the song words.

## Mathematics

This week, we will be focusing on volume and capacity.

The homework this week will focus on a variety of mathematical concepts.
