

Park Street School Learning

w/c 27/4/2020

Dear all,

Last week was very positive. Thank you to all the children who have sent their work for me to look at and mark. It has been fantastic reading it all. There have been some amazing pieces. Also, there has been a lot of chatter on our Blog. It has been fun reading it all. I hope this has been a positive tool for the children to have another way to stay in touch with each other. Keep posting your work.

This week, I will be in school so I will not be able to respond to the children straight away with their work. I will be going through it when I return home.

**Teaching Tips:**

This term, I have planned in grammar and punctuation work. To support this, I have included support maps to help the children. You will find this on the Y5 Home Learning Page.

Mathletics—remember to use the ‘i’ button if you need help to complete the task.
