

Park Street School Learning

w/c 1/6/2020

Dear all,

I hope you have had a restful, safe half term and ready for your final part of Year 5. I am missing you all. As stated in the letter by Mrs Foster, the home learning will be continuing for Year 5.

I will now back in school supporting our key worker groups, so as before, I will do my best to try and respond to the work during the day but the majority of my responses will be when I return home.

If you need to speak to me about anything or you need more resources to support your child, please contact the office. I will then aim to ring you during my lunch break or at the end of school. I will deliver any home learning resources you may need.

The work the children have been producing continues to be of a high standard and I am still so impressed with the way the class has responded in these extremely difficult times. Please keep encouraging your child to do the very best they can; it will have a huge impact when they become the next Year 6.

This week, we will be focusing on a new text called "To catch a Beast". I hope they enjoy it. The art work will be connected with one of my favourite artists, Cezanne.

Our topic on the Vikings is continuing and we begin our world religion study on Buddhism.

This week, they will have a bit of music to do. They will be introduced to the new music programme on Purple Mash. It is called Busy Beats. Work through the help videos before they begin.

Have a hard working week. Please keep using the blog to keep in touch and keep sending me your pictures of what you are up to. I am so proud of you all and everything you are doing.

Teaching Tips:

Don't forgot to look back at the Grammar and punctuation help sheets (Y5 Home Learning page) when you are competing the grammar tasks.

Go through the help guides before attempting the Busy Beats help guide.

Mathletics—remember to use the 'i' button if you need help to complete the task.
