

Park Street School Learning

w/c 22/6/2020

Dear all,

Another hard working week. Thank you for all the work you have handed in, emailed or put on our blog. I loved seeing your David Hockney pieces and reading about why babies should or shouldn't rule the world. You all seem to be enjoying the spelling quiz so I will continue with this activity.

Again, if you need to speak to me about anything or you need more resources to support your child, please contact the office. I will then aim to ring you during my lunch break or at the end of school. I will deliver any home learning resources you may need.

This week, our book is focusing on the world of super heroes. It's called "A bit of a hero". I hope you enjoy it.

We are now going to explore a new topic for the remaining weeks. This is focusing on a significant event in History. In this case, The Battle of Britain and the Home Front.

One of our writing pieces this week will focus on Edward Hopper's "NightHawks". This is one of my favourite art pieces. It was a painting that was complete in 1942. Use the writing guide which I have put on the home learning page.

The art work will be connected Van Gogh painting 'The Chair'.

Are you brave enough for the Roller Coaster Challenge?

Miss Thomas and I have decided to set Y5 and Y6 a Design and Technology challenge. We want you to design a roller coaster for a marble. Before you start the task, please watch the video.

Have a hard working week. Please keep using the blog to keep in touch and keep sending me your pictures of what you are up to. I am so proud of you all and everything you are doing.

Mr McDonough

Teaching Tips:

Don't forgot to look back at the Grammar and punctuation help sheets (Y5 Home Learning page) when you are competing the grammar tasks.

Mathletics—remember to use the 'i' button if you need help to complete the task.
