

Park Street School Learning

w/c 8/6/2020

Dear all,

Thank you for all your amazing hard work. I particularly enjoyed reading the poetry and their Viking research. The ideas and language choices were fantastic. I also had a great time listening to their music compositions. It looks like they enjoyed the program.

I have contacted Purple Mash about the online quiz issue. If we have the same problem with the new book, please do not worry.

Again, if you need to speak to me about anything or you need more resources to support your child, please contact the office. I will then aim to ring you during my lunch break or at the end of school. I will deliver any home learning resources you may need.

This week, our new book is called "Baby Boom". I hope they enjoy it. The art/D and T work is connected with the British artist, Ben Nicholson. Our topic on the Vikings will continue with a focus on Viking Longhouses and our Buddhism work will look at the Eight Fold path. The science for this week will be on animal life cycles.

Also, the children will be trying the online spellings this week. They will have the spelling sheet to complete and then have a go at completing the spelling quiz. I will set this three times. (Monday, Wednesday, Friday)

The second spelling sheet is on the Home Learning page.

Friday is our inset day. Therefore, no official work is being set. However, I have left the spelling activity and maths activity if they wish to do it.

Have a hard working week. Please keep using the blog to keep in touch and keep sending me your pictures of what you are up to. I am so proud of you all and everything you are doing.

Mr McDonough

**Teaching Tips:**

Don't forget to look back at the Grammar and punctuation help sheets (Y5 Home Learning page) when you are competing the grammar tasks.

Go through the help guides before attempting the Busy Beats help guide.

Mathletics—remember to use the 'i' button if you need help to complete the task.
