

Park Street School Learning

w/c 06/7/2020

Dear all,

Thank you for all the work you have handed in, emailed or put on our blog. Your ghost stories were scary and your Anderson Shelters were great. Also, thank you for posting your Lowry drawings and paintings. You really worked hard on using the same techniques. Your descriptions of the Paul Nash painting really made you think and you produced some excellent pieces.

Again, if you need to speak to me about anything or you need more resources to support your child, please contact the office. I will then aim to ring you during my lunch break or at the end of school. I will deliver any home learning resources you may need.

This week, our book is called 'Buster's Blitz'. I hope you enjoy it.

Again, I have set you a descriptive writing piece that would be expected in Year 6. Please read the writing prompt carefully. You must take time to plan out your ideas before writing.

Your History work will continue on WW2 with a focus on the effects of rationing. Your computer work will review your understanding of the way we communicate online and reporting inappropriate behaviours

I still have two maths mats to go alongside your Mathematics work and two grammar and punctuation activities.

Finally, your R.E. will continue on our theme of Buddhism.

Have a hard working week. Please keep using the blog to keep in touch and keep sending me your pictures of what you are up to. I am so proud of you all and everything you are doing.

Mr McDonough

Teaching Tips:

Don't forget to look back at the Grammar and punctuation help sheets (Y5 Home Learning page) when you are completing the grammar tasks.

Mathematics—remember to use the 'i' button if you need help to complete the task.
