

Year 5 Home Learning

Week beginning 14th September 2020

Just a reminder that your child will be given homework every Friday and due back on the following Friday. As you know, we have sent one book home so please encourage your child to be reading as part of their homework. I have uploaded spellings on their home learning page and set a quiz on purple mash for them to complete. Please can you encourage your child to practice these spellings each night by writing them out before trying the quiz.

On Friday 18th, I will check their spelling quiz and set other tasks to be completed for Friday 25th.

Just a reminder, we are having our Year 5 sharing assembly on Friday 18th, which will be shared with you to view on our online platform.

I feel like Year 5 have settled back into school and are enjoying being able to spend time with their friends. I hope that you have also found this but if you have any concerns please do get in contact.

Miss McVeigh
