

## Year 5 Home Learning

Week beginning 21<sup>st</sup> September 2020

I hope you all enjoyed watching our sharing assembly. The children were really excited to come up with things they wanted to share with you.

We have been spending time in maths focusing on place value to 1 000 000. For this week's Maths homework, I have assigned a task on mathematics which will allow children to revise what they have learnt so far.

This week's spellings are on our home learning page and their quiz is on purplemash. I have also assigned a grammar activity for children to revise their word groups.

Homework is due on Friday 25<sup>th</sup> September.

That's all for this week. As always, thank you for your continued support and if you need to get in contact with me, catch me at the gate at the end of the day or phone through to the office.

Best  
Miss McVeigh
