

Year 6 - Spring 2

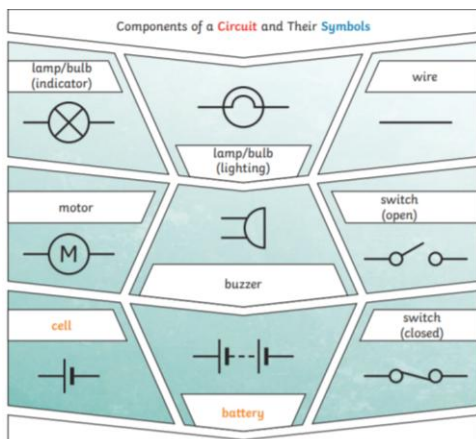

Theme: *People, Places and Pasts!*

Our School Prayer
 This is our school,
 Let peace dwell here,
 Let the rooms be full of contentment.
 Let love abide here,
 Love of one another,
 Love of mankind,
 Love of life itself,
 And love of God.
 Let us remember
 That as many hands build a house,
 So many hearts make a school.

Science – Electricity

We will be learning to:

- associate the brightness of a lamp or the volume of a buzzer with the number and voltage of cells used in the circuit
- compare and give reasons for variations in how components function, including the brightness of bulbs, the loudness of buzzers and the on/off position of switches
- use recognised symbols when representing a simple circuit in a diagram

Blackberry Blue
 By Jamila Gavin

Survivors
 By David Long & Kerry Hyndman

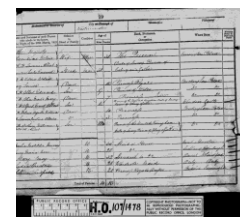

Key Text Type: Narratives & Biography

History

Census: What can census tell us about local areas?

We will be learning:

- To identify the type of information the census gives about people.
- To use the census to make inferences.
- To use a range of resources.
- To describe the changes in the 1921 census.
- To plan a local history enquiry using the census.

Maths

- ❖ Percentages
- ❖ Fractions and Decimals
- ❖ Algebra
- ❖ Statistics

Well-being / RSE

Rights & Responsibilities

- ❖ Living in an environmentally sustainable way.
- ❖ Describe language and techniques that make up biased reporting.
- ❖ Understand that we have different kinds of responsibilities, rights, and duties, at home, at school, in the community, and towards the environment.

French

In Town

Computing

Programming

Exploring Python programming, focusing on syntax, nested loops and debugging syntax and logic errors.

PE

Problem Solving

Pupils will have the chance to collaborate and learn how to work together to solve a variety of challenges.

Hockey

To learn how to pass, dribble and move to keep possession and create an attack that results in a successful shot. To gain an understanding of defending (marking, tackling and blocking) and how this is applied during a game to prevent attacking.

Music

You've Got A Friend

R.E.

Why is there suffering?

Children will use their critical thinking skills to consider their own and other's ideas and beliefs about why there is suffering in the world, making links between the creation story in Genesis and the concept of suffering. We will identify different reasons humans may make the choices that cause suffering.
