

Governors' Newsletter to Parents

June 2026

Flourish
LET YOUR
LIGHT SHINE!

During our most recent governors' visit, we focused on attendance and strengthening the school's Christian distinctiveness – as these are two of our five current key objectives.

We had the honour of attending the school's collective worship – it was great to see the pupil interaction as children discussed the theme of 'hope.'

Within Pupil Voice, our Leading Lights told us all about their roles and how they support in prayer for the whole school. In addition, we sat down with pupils across the school years who told us about some of their achievements this year, things they were proud of, and informed us that learning was fun. We did also receive a few 'wish list' items – although we're not sure how feasible delivering a school swimming pool will be!

It was a pleasure to see the recent school attendance outcomes and the positive trend in school attendance. Thank you to all our families for your support in ensuring children attend school regularly, helping them to truly flourish. A big thank you and well done to all children, families and our school for their focus in this area.

'Welcome to our new Governing Body Newsletter.

As Governors, our role is to support and challenge the school's leadership team to ensure every child receives the best possible education and opportunities. We are delighted to share some updates on our work, celebrate successes across the school, and keep you informed about our priorities as we close out this school year.

Thank you for your continued support of our school community.'

*Fraser Campbell
Chair of Governors*

'At the recent thoroughly enjoyable governor day we had time with the 'Leading Lights' who are made up of two children chosen from each class. They help with the running of daily Collective Worship. I was struck by how deeply engaged and thoughtful they all are. Many spoke about the value of prayer and how significant Collective Worship is for the school community.

There was also, throughout the day, a real sense of Park Street as a kind and nurturing school and that the Christian distinctiveness contributes to this.

Going forward we are aiming for our young people to think and engage more with the wider world and how our school values can help them be a force for good. Thanks to all in the school community for supporting us in this.'

Nick Weir
Vicar and Foundation Governor

As we close out the summer term, we want to wish you all a very enjoyable summer break and a 'goodbye and the best wishes' to our wonderful Year 6 students, who leave us for their new schools – let your light continue to shine.

We look forward to seeing you all at the school events coming up this term, including the much-anticipated colour run!

As always – we're here if you'd like to contact us. Our details can be found in the governors' section of the school website.
