Year 1 – Autumn 1

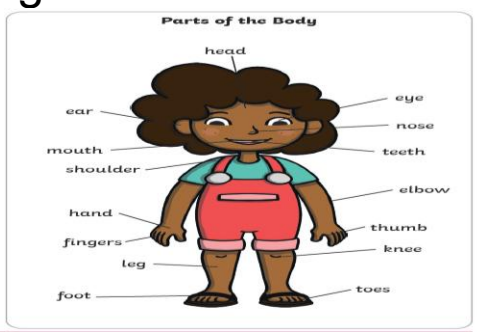

Flourish AND LET YOUR LIGHT SHINE

‘Back in my day’

Science- Animals, Including Humans

In science, we will be labelling parts of the human body and carrying out experiments using our five senses.

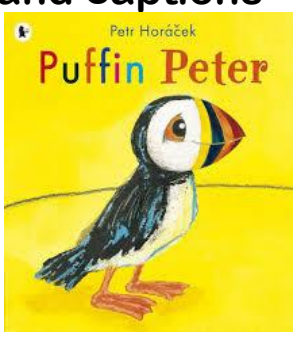

English

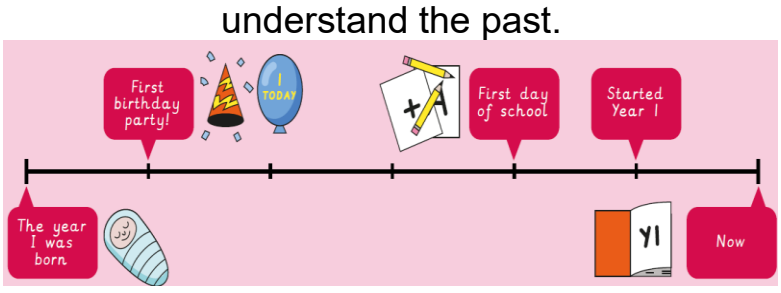

Labels, lists and captions

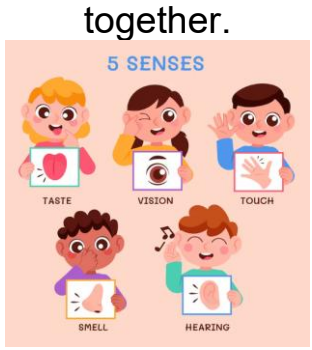

History-Back in my day

Our big question is, ‘How am I making history?’ We will be gaining an understanding of the past by using photographs to see how things have changed. We will also begin to use living memory and simple timelines to understand the past.

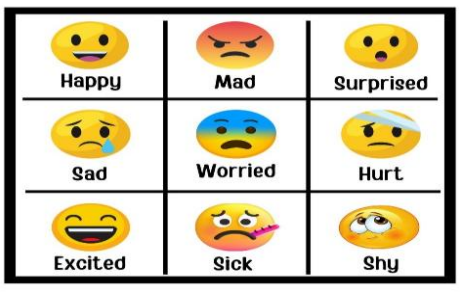

Key Vocabulary

Our 5 senses- sight, hearing, taste touch and smell
Senses- how our body takes in information
Brain- the control centre of the body
Past- a time that has already happen
Present- a time that is happening now
Memory- something we remember from the past
Living memory- something we remember by people who are still alive
Childhood- the time a person is a child
Timeline- a line that shows events in the order that they happen
Emotions- strong feelings we have inside us
Feeling – how we feel in our body and mind
Behaviour- the way we act towards others
Community- a group of people you live, learn or work together.

RHE - Me and my relationships

In RHE, we will be talking about our feelings and how feelings make us behave. We will think about being part of a community and how there are people around us who can help us.

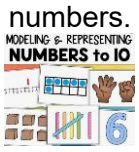

Art - Making your mark

We will be exploring how line and shape can be used to create Art. We will talk about what we like and dislike about a piece of Art. We will learn how to use different pressures to make a colour lighter or darker.

Maths

We will be counting and sorting objects, counting 1 more and 1 less, counting forwards and backwards and comparing numbers.

Computing

We will be learning about beginning computing skills like logging in, drag and click and drawing skills.

Music

We will be learning, singing, rapping and playing instruments to a song entitled ‘Hey You!’.

R.E- How did the world begin?

In R.E, we will be exploring the different beliefs people have of how the world was created. We will be exploring Christian, Jewish, Hindu and Humanists beliefs about creation.

PE

We will be developing our understanding of how and why we jump, using our head, arms and feet, and applying the correct jumping technique. We will also be developing our ability to apply the principles of attack
vs defence, creating an attack that results in a shooting opportunity.
