

'Leading Lights'

Flourish

'Let your light shine
before others'
Matthew 5:16

Our 'Leading Lights' are a group of children, from each class, who are ambassadors for our school through their contribution to Collective Worship and support of our Christian vision and values.

The Leading Lights take part in the planning and delivering of our school's collective worship. Through this, the children develop their confidence in being leaders during the act of worship itself and developing their own knowledge and skill set.

As a 'Leading Light' the children will take part in the following elements of Collect Worship:

- Lighting the candle
- Giving the greeting
- Choosing the song
- Writing and leading the prayers and reflections
- Bible readings
- Planning and offering drama
- Writing and delivering (with adult support) acts of worship about charities and events e.g., Christian Aid Week
- Designing and arranging the physical focus
- Sending out or leading the blessing

Being a 'Leading Light' is a privilege, but also a responsibility. Our 'Leading Lights' are good role models in all aspects of school life as well as Collective Worship.
