Thursday 28th March 2024

Dear Parents/Carers,

It is hard to believe we are already at the end of another busy and eventful term. What a wonderful way to end the term with our lovely Easter service at Holy Trinity Church. Thank you to those of you who were able to join us.

Last night, I had the honour of watching our choir perform at the Alban Arena. They were absolutely fantastic and made us all proud! A huge thank you to Mrs Duxbury and Mrs Tominey for all their hard work and to our parents for helping us with rehearsal drop off and collections!

Remember to make a note of key dates as next term promises to be just as eventful. I hope you all have a wonderful Easter break and I look forward to seeing you all on Tuesday 16th April.

Monique Gregory

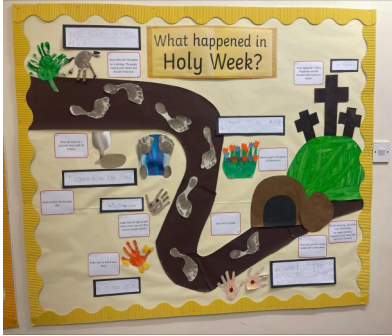

Headteacher

Our Curriculum in Action

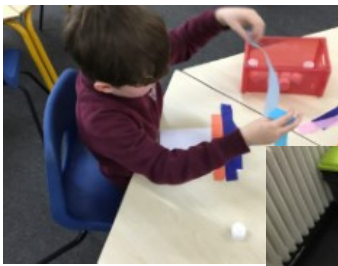

EYFS

What a wonderful half term Acorns and Saplings have had! In RE this half term, the children have been so busy exploring the question 'Why do some Christians put a cross in a garden at Easter?' They have explored and created a beautiful display showing the events of Holy Week, acted out the story of Palm Sunday, discovered why hot cross buns might help some people remember what happened on Good Friday and created a garden to tell the miracle of Easter Sunday. The children even made their own crosses using branches they found outside. The work the children have created has been fantastic, well done EYFS!

Year 1

This week we have been busy preparing for Easter - practising our songs for the Easter service as well as making our lovely Easter cards. The children have worked very carefully on their designs.

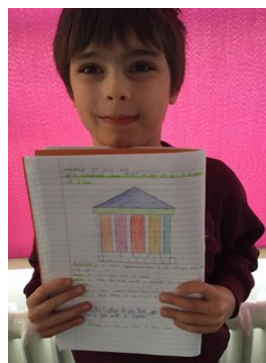

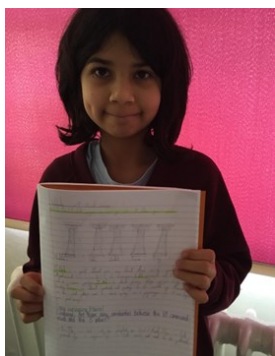

Year 2

Y2 went on a fantastic trip to Reveley Lodge, where they learnt all about life in a Victorian house. They were even given an afternoon tea, where they had to hold their China cup in a certain way and use the cake fork the correct way! As you can see from the photos, they had a fabulous day!

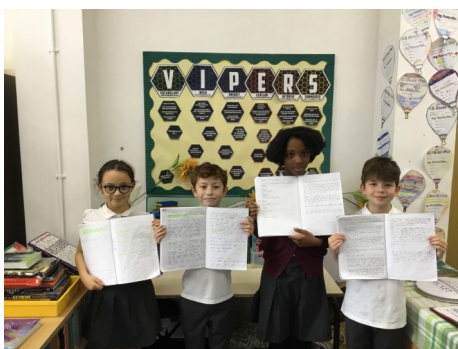

Year 3

In RE this half term Year 3 have been learning about the 5 pillars of Islam - one of which is prayer. We learnt that Muslim people need to prepare for prayer by washing, called 'wudu'. We have a memory box to help us to remember what we can learn from some religious artefacts and images.

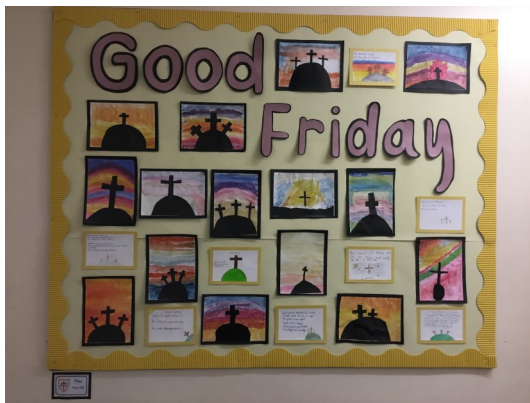

Year 4

Last week and this week, we have been working hard on our final writing piece of the term. Everyone has been working on their own story based on the book we have been reading, Anglo-Saxon Boy. The stories written in the class have shown such creativity and excellent use of writing techniques. Well done on an amazing term Year 4s!

Year 5/6

Year 5/6 have had a busy run up to the end of Spring Term! We have had a fantastic trip to the British Museum, children and adults alike learned a lot about Ancient Greece through their pottery, sculptures and temple walls. Children have also thoroughly enjoyed learning about Good Friday in detail and creating their own Haikus.
