LET YOUR
LIGHT SHINE!

Friday 12th December 2025

Dear Parents/Carers,

We've reached the end of the penultimate week of term, and the school is full of festive cheer! Our EYFS children made us proud this morning with their wonderful nativity performance. A big thank you goes to our fantastic EYFS staff, whose hard work and dedication made it all possible!

This afternoon we thoroughly enjoyed the PTA Christmas Fayre, which was such a wonderful event! The PTA pulled out all the stops to make it extra special, and we are very grateful for their hard work and dedication in making it one of the highlights of the term. In particular, the Winter Wonderland and Santa's Grotto were truly magical experiences for all! Elfridges was also a huge success and brought plenty of excitement for the children. We look forward to its return!

Next week is our final week before the Christmas break. We'll be having our Christmas lunch on Wednesday and then finishing the term with our Christmas service at Holy Trinity Church on Friday 19th December. We hope to see many of you there. Just a reminder that school will close at 1:30pm on the last day of term.

Have a lovely weekend!

Monique Gregory
Headteacher

Our Curriculum in Action

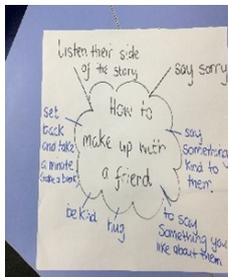

EYFS

A huge well done to our wonderful EYFS children for their truly fantastic production of 'The Nativity'. The children have worked so hard over the past few weeks, learning their parts, practising their songs and supporting one another every step of the way. Their confidence, teamwork and joy on stage were a real delight to see, and their beautiful singing filled the hall with festive cheer. We are incredibly proud of each and every child, your sparkle and big smiles made the performance so special. Brilliant job, EYFS!

Year 1

Wow! It might be coming to the end of term, but Year One's learning is not slowing down. We have been talking about what makes a good friend. We are also talking about the tricky subject about 'repairing' a friendship when we fall out with someone. We have been making some fabulous puppets. As well, as retelling traditional tales with a twist. Ask your children about the repeated phrase, 'Stop! That's not my story!'

Year 2

Year 2 have been learning all about candles in their RE topic. During this topic we learned about why candles are used during Christmas as well as why Hindus use candles for the story of Rama and Sita. Maple class had great fun learning all about this.

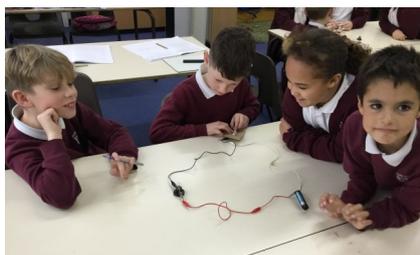

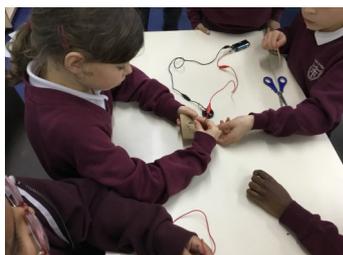

Year 3

Year 3 had an amazing time watching the Cinderella pantomime at the Radlett Centre this week - oh yes, they did! All the children were impeccably behaved and were a real asset to Park Street. Well done Year 3 for being such fantastic role models!

Year 4

In our most recent Science lesson about electricity, the children in Y4 had to make their own switches to turn on and off a light bulb. They all managed to complete the task!

Year 5

Year 5 rocked the stage! Led by the amazing Mrs Searle, our talented musicians played keyboards, electric guitar, drums, glockenspiel, and even boom whackers — performing songs from Pachelbel's Canon to Ghostbusters! This half term, they've developed fantastic rhythm, teamwork, and performance skills. What a sensational show!

Year 6

The past few weeks have been wonderfully festive in Year 6, and the children have truly embraced the Christmas spirit! Last Wednesday, we were delighted to take part in the annual Abbey Christmas Service where the children represented our school brilliantly and enjoyed being part of this special tradition. Throughout last week, Year 6 also created their own Christmas decorations for our Christmas Tree Dressing Concert. This week brought even more festive fun with our exciting trip to watch the Cinderella pantomime. The children had a fantastic time ("Oh no they didn't!" - "Oh yes they did!"), joining in with all the laughs and lively performances. We're looking forward to keeping the Christmas cheer going with today's Christmas Fayre and next week's school Christmas dinner. Wishing you all a warm and joyful festive season.
