

## Personal, Social and Emotional development

We are...

Talking about why some people might be afraid of bees and how we might help them not to feel so worried.

Talking about how 'The Very Greedy Bee' found it difficult to share and the importance of sharing.

Following rules and routines to care for animals in our environment.

Sharing our own knowledge and experience of bees with others.

## Park Street C of E Primary School

This is an overview of some of the activities we will be exploring this week in the EYFS

Summer 1 Week 6

Week beginning 17.05.21

## Literacy

We are...

Reading the story of 'The Very Greedy Bee' by Steve Smallman.

Creating our own story map to sequence events in 'The Very Greedy Bee'.

Writing sentences about the main events in our story.

Writing a rhyming string.

Revising Phase 2, 3 and 4 graphemes and tricky words.

Reading our own individual reading books - please read your 'Bug Club' books at home too.

## Communication and Language

We are...

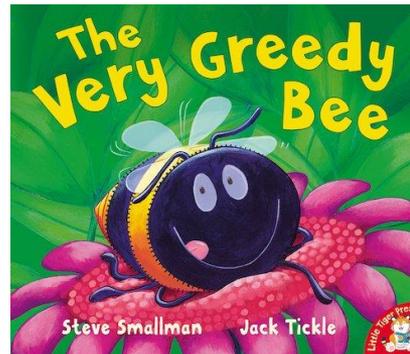

Exploring words linked to bees e.g. pollen, queen, nectar, hive, honey.

Asking our own questions about bees to develop our knowledge and understanding of them.

Using talk to describe the character of 'The Very Greedy Bee'

## This week we are exploring..

## Mathematics

We are....

Exploring number and counting rhymes.

Counting and reading numbers from 0-20 and beyond in any order.

Recognising numbers between 0-10 and 10-20 and counting out the correct number of objects to match.

Finding one more or one less than a given number between 0 and 20.

Finding the missing parts of a whole.

Using the parts to find the missing whole.

Counting on and back from a given number.

## Physical development

We are..

Running the 'Daily Mile'.

Exploring ways of controlling a ball through pushing, rolling and throwing it with our hands.

Moving in a variety of ways, changing speed and direction, avoiding obstacles in our way.

Exploring daily 'Busy Finger' activities to build our finger muscles.

Continuing to handle different tools, including pencils and scissors, with increasing control.

## Expressive arts and design

We are..

Listening to 'The flight of the bumble bee' and moving and dancing to the music.

Creating images of bees using different paint and collage techniques.

## Understanding the world

We are..

Finding out about different types of bees and talking about the important role of bees in our world.

Finding out about the life cycle of a bee.

Observing changes in our real classroom caterpillars

RE - We will continue our new unit of work 'What makes a place special?'

The Church - Finding out about internal features of a church and who works there.

Please remember to log on to 'Bug Club' and read your reading books.
